Subject: RE: Goodman's Appealed Case From the CAFC

Thanks for the information.

Remember to remind Charlie that when allowing only one claim, the claim is not numbered.

FYI - Charlie had several rejections some of which were affirmed and some reversed to result in an Affirmance in Part. in the Board decision. However, it appears all claims were affirmed on one rejection or another, even if reversed on others, except for a reversed dependent claim 29, so in net there is only the one dependent allowed claim.
